

Hello Everyone .....

**Themes : Dental Health / The Letter "R" / People in the Health Profession**

This week we will learn how many teeth are in our mouths and how we keep our teeth and body healthy. We'll talk about what foods are good for our teeth and body as well. We will be sending home a tooth brushing chart this week. Please send it back and your child will be able to tell us how they took care of their teeth and they will receive a sticker for doing so 😊. We will also learn the letter "R" and some words that start with it.

In Chapel this week, Ms. Stahlhut will tell us the story: "Jesus Makes a Little Girl Live Again".

Since spring is coming, we will be practicing a tornado drill on Tuesday. We will be having a Spring Fund Raiser through the Garden and Gourmet Catalog. Our goal is for everyone to participate and sell 5 items. Each child will get a prize for turning in an order form. Thank you in advance for your participation.

If you have not registered for Preschool for next year, please remember to do so as spaces fill quickly.

Please check your child's folder daily.

Have a Great Week.

Thank You!

Mrs. Blase

Ms. Vos
