

February Star Room News

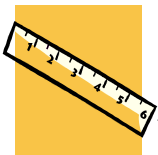

This month is so exciting! We have 3 birthday celebrations as well as our Valentine party. The children are decorating a Kleenex/mailbox for a Valentine exchange on that day. I will send a class list home with everyone. Parents please write the name of the child the Valentine is for. Encourage your child to sign their own names or hand over hand help them. Their little fingers are getting stronger everyday!

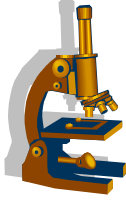

February 1st we will be looking for our last names in the morning.

Our focus this month is on community helpers.

- The community we live in
- What kinds of jobs people do
- Our city and state
- The United States of America
- Presidents

We will be making sanding and painting our own rulers, Thank you Mr. Vos.

We will explore magnets this month in science as well as dying carnations and mixing colors.

We have our own box tops envelope on our board. Please continue to cut out those & bring them in. Thanks, every little bit helps!

Candy sale starting at the end of the month.

If you have any questions, comments, or concerns please send me an email. The children are really working very well together as a class and good friends!

Ms. Linneman
